### Important information

All data provided by Brooks Macdonald, unless otherwise stated, as at 30/09/2020. The information presented in this factsheet, including charges and performance, is for the Sterling portfolio. Other currencies may be available. Investment markets and conditions can change rapidly and as such the views expressed should not be taken as statements of fact, nor should reliance be placed on these views when making investment decisions. The price of assets in this portfolio and the income from them can go down as well as up and neither is guaranteed. Past performance is not a guide to the future. Investors may not get back the amount invested. Changes in rates of exchange may have an adverse effect on the value, price or income of an investment. Changes in interest rates may impact the value of fixed interest investments within the portfolio. The value of your investment may be impacted if underlying fixed interest holdings default, or market perception of their credit risk changes.
