

Company Profile

About Atlas Life

Atlas Life is a specialist international life insurance company providing high value life cover to clients in all the main countries of the world. We reinsure all our policyholder risk with Swiss Re and Reinsurance Group of America, two of the largest reinsurers in the world and we utilise their financial strength and global stability to provide our clients with complete peace of mind at all times.

Our treaty relationships allow us to offer global coverage to individuals, families and businesses, with no restrictions on nationality or the level of cover. Our policies are fully portable to accommodate internationally mobile clients and we also provide a range of additional benefits including Critical Illness, Disability and Indexation.

Cover starts from US\$100,000 with personalised pricing available from US\$5 Million for more bespoke requirements. Policies are available in all major currencies and premiums can be paid by bank transfer, credit or debit card. We are regulated by the Seychelles Financial Services Authority as a long-term life insurance company and payments of policy benefits are free of all taxes to non-residents of the Seychelles.
